

July 2023

Issue 6

Hello everyone,

And a very happy Canada Day to you all!

This column will most likely find you all a day (or three) after our Canada Day celebrations, but I wanted to acknowledge it with all of you in the spirit of patriotism and for the love of this great country we live in.

We are fortunate indeed to be able to live where we have the opportunities to see our dreams come true and our efforts rewarded. To be able to work and play, raise families and secure futures without fear of being oppressed and war torn. We have much to be thankful for: God bless Canada!

It seems to me the older I get the faster time flies and this year so far it has gone by quickly. It is already July but it seems like only yesterday that the snow tires came off the car ha-ha !!

The thing I like most about summer, as a musician is the amount of opportunities there are to play music! With all the festivals, outdoor concerts, weddings and reunions, we can be very busy! I have not been actively looking for gigs as I am still taking it easy in my post operative recovery but I am not turning down what comes in from phone calls and referrals either. Speaking of what's happening, these are some of the things I wish to inform you about.

On July 15, the first in a series of rotating concerts in support of the Hall of Fame will be held in Woodstock at the McCain Centre from 6:30pm until 9:00pm featuring Ivan and Vivian Hicks, Dwane Drost, Allison Inch, Ronnie Day, Tim Wallace, Brent Buchanan, Bonnie Rairdon, Frank Hartt, Jack McAfee, Noel Nason, BevGaston, John Jeffries, and more:

There are so many other members busy this summer but I haven't received any info about their shows so keep an eye out!

Don't forget that we will be holding monthly 50/50 draws in support of the Hall and you can get ticket information on the Hall of Fame website, it is easy as pie to get tickets and it is a great way to support the Hall and maybe make a little extra cash too!!

As always please send in any info you want shared to me and I will get it in a column. This is your newsletter so feel free to use it!
